ANNOUNCEMENT

The Morris Nursery was established in 1847 by Marshall Morris. Purchased in 1875 by George Ashbel, and was succeeded by Martin E. Lorenz and Clarence W. Lorenz in 1926.

WHEN TO PLANT

Spring planting from March 1st until June 1st. Fall planting from October 15th until ground freezes. Evergreens can also be planted in August and September after sufficient rain.

HOW TO PLANT

Be sure and dig holes large enough to admit roots without crowding. Pack soil tightly around roots and use plenty of water. Water frequently during dry spells.

LANDSCAPE DEPARTMENT

We have an experienced Landscape Architect who will gladly call upon request, give suggestions, draw plans and quote special prices on large orders.

TERMS

Cash with order unless otherwise agreed upon with owners of real estate. All orders paid for thirty day time subject to slight discount.
